

## Parasol Parade Color Page

Join in on the fun inspired by the Jolly Holly Parasol Parade from our Dorktales podcast episode, Snow Time! Imagine yourself parading with the critters from the Folktale Forest and strolling together to the Grand Feast. Now use the coloring page to decorate your very own parasol.

Grownups, help your young artists unleash their imaginations! Set them up to decorate the parasol to reflect their own unique and magical personalities. Once their masterpiece is complete, share it with us. We'd love to see and acknowledge their festive creations. Send your young listener's artwork to [dorktalesstorytime@gmail.com](mailto:dorktalesstorytime@gmail.com) or share it on Instagram and tag us @dorktalesstorytime.

Let's spread joy and creativity as we celebrate traditions and the wonders that the holidays bring!
